Fused Bead Keychains

Materials
- Assorted Beads and Peg Board kit
- Design Pattern
- Key Chain with Jump Ring
- Jewelry Pliers
- Parchment Paper
- Iron

Directions
1) Select design, or create your own design.

2) Choose bead colors that compliment your design.

3) Use peg board to pattern the colored beads together.

4) Once your design is complete, place parchment paper over your design and heat with iron until beads fuse together.

5) Attach your keychain to your fused bead design with the jewelry pliers and jump ring.
