Shrinky Dinks

Materials

- Shrinky Dink Paper
- Scissors
- Colored Pencils
- Hole Punch (For Necklace Option)
- **Jump Rings** (For Necklace Option)
- Pliers (For Necklace Option)
- Thread for Necklace, adhesive pin backing, OR magnet backing

Directions

1) Preheat oven to 325 degrees

2) Draw a unique design on the rough side of the shrinky dink paper

3) Color in your design with colored pencils or sharpies

4) Make a hole punch at the top of your design if you are making a necklace

5) Once oven is preheated, put the tray with the shrinky dinks into the oven
Shrinky Dinks

**Materials**
- Shrinky Dink Paper
- Scissors
- Colored Pencils
- Hole Punch (For Necklace Option)
- Jump Rings (For Necklace Option)
- Pliers (For Necklace Option)
- Thread for Necklace, adhesive pin backing, OR magnet backing

**Directions**
6) bake for 1-3 minutes. At first the shrinky dinks will curl up, but they will flatten back out. Once they flatten, bake for 30 more seconds

7) let cool

8) To make a necklace, insert the jump ring through the hole and enclose it with pliers to ensure the shrinky dink lays flat when worn. Then thread the string through the ring. OR Attach either an adhesive pin or magnet to the back of your shrinky dink
